

Rehana Mattu

Third Academy is truly a large part of Rehana Mattu's life as she started working at the school in 1997. She has always loved working with children and graduated with a Bachelor of Education degree in 1996. Rehana has taught for 25 years across all Third Academy campuses. She was appointed Principal in 2015.

"Every child, no matter what age or stage of development, is capable of learning. I pursued education because I wanted to make a difference in the lives of children and to inspire them to learn and explore the world around them. Seeing the look of pride on a child's face when they realize that they 'got it!' is priceless and so fulfilling."

When not at school, Rehana spends time with her own family. She is married, has three beautiful children, two cats, and two dogs. She loves to spend her time outdoors, expanding her culinary knowledge and skills. She has also lived on three different continents!
